Our Ministry

Budapest is a city of bridges! How fitting that God has called our family to build bridges of hope in the heart of Europe.

During the last three years, we have been **building relationships** with the people of Hungary in the midst of their everyday lives—reaching out, meeting practical needs, and introducing them to a vibrant, caring, local community of faith at **Riverside Church Budapest**. Most importantly, we have had the privilege of sharing the life-changing good news of Jesus Christ!

While our work in Hungary continues, **God is expanding our calling** to reach those in great need. This next term, we will be serving with **Europe's Heart**, a ministry dedicated to meeting both the spiritual and physical needs of the **marginalized Roma (Gypsy)** population in **Southeast Europe**. Historically, the Roma have lived in poverty, often without running water, electricity and are excluded from much of society. God has called us to go and bring His love to those in desperate need.

We invite you to join us in this mission! Your partnership will help build bridges of hope, transforming lives through the power of the gospel.
